## **NOTE TO TEAMS: CAR DISPLAY PROCEDURES**

In addition to the requirements set out in Article 19 of the FIA Formula One Sporting Regulations, please note the following procedures for the Car Display at this Competition:

- Between 12:00 and 13:00 on Friday, one car from each team must be positioned in the same way as last season, with the other car positioned and available for viewing inside your garage. If only one car will carry the major aerodynamic and bodywork components and assemblies that have not been run at a previous Competition or TCC and are intended to be run at the Competition, this car must be the one displayed to media.
- The car outside may be used for pit stop practice but when no pit stop practice is taking place the car must return to the same position.
- At any Competition where it is raining during this presentation, we would ask you to leave the cars in position and use your grid easy ups.
- There must be enough space around the car on display to allow people to move safely.
- The following specific timings have been allocated to assist the media and avoid overlapping of any presentations or Q&A sessions teams may wish to hold (any presentations are not mandatory for the Pre-Event Display):

Time	Team
12:00 - 12:06	Red Bull Racing
12:06 - 12:12	Ferrari
12:12 - 12:18	Mercedes
12:18 - 12:24	Alpine
12:24 - 12:30	McLaren
12:30 - 12:36	Alfa Romeo
12:36 - 12:42	Aston Martin
12:42 - 12:48	Haas
12:48 - 12:54	AlphaTauri
12:54 - 13:00	Williams

- Teams may conduct additional interviews and discussions outside of these times should they wish, but it is highly recommended that these times are used by all teams to maximise efficiency.
- After Qualifying, **three** cars for the presentation will be selected for display at this Competition, which will take place on Sunday commencing five hours before the scheduled start of the formation lap. This selection will be communicated to the teams by the FIA Technical Delegate after Qualifying.
- The Post-Qualifying presentations will take place in the pit lane or team garages depending upon activities taking place in the pit lane at the below timings:
  - 10:05
  - 10:20
  - 10:35
- Each team that is selected must have the technical representative indicated previously to the FIA available at these times.
