From : The FIA Formula One Technical Delegate

To : The Stewards of the Meeting

Date : 07 September 2019

Time : 12:12

TECHNICAL DELEGATE'S REPORT

The following driver will use a new control electronics (CE) for the remainder of the Event:

<i>Number</i>	<i>Car</i>	<i>Driver</i>	<i>Previously used CE</i>
04	McLaren Renault	Lando Norris	3

The control electronics used by Lando Norris is the fourth new control electronics for the 2019 Championship season. As this is in not in compliance with Article 23.3a of the 2019 Formula One Sporting Regulations, I am referring this matter to the stewards for their consideration.
