Technical Delegate's Report

After the third free practice session today the gearbox of car number 63, driver George Russell, was replaced for a different one.

This gearbox change was before the six consecutive Events expired. Therefore this is not in compliance with Article 23.5a of the 2019 Formula One Sporting Regulations and I am referring this matter to the stewards for their consideration.

The team informed the technical delegate about the gearbox change on 11 May 2019, at 13:42 hours.
