The Stewards received a petition from Aston Martin Red Bull Racing (including video footage) for them to review, in accordance with Article 14 of the FIA International Sporting Code, the following decision made by the Stewards at the 2020 Austrian Grand Prix Competition:

Document 33 – 2020 Austrian Grand Prix.

The Stewards, summoned the team (Document 39) and held a hearing at 13:45 on Sunday 5th July, 2020. The Stewards heard the driver and the team representative.

The Stewards determine that the additional video evidence represents a significant and relevant new element which was unavailable to the parties at the time of the competition concerned.

Reasons:

During the initial hearing, no on-board video footage of car 44 was available to the Stewards. Aston Martin Red Bull submitted 360 degree camera footage from car 44 including the passage of car 44 through the relevant section of the track.
