

2021 MONACO GRAND PRIX

19 - 23 May 2021

From	The FIA Formula One Technical Delegate	Document	2
To	The Stewards	Date	18 May 2021
		Time	14:45

Technical Delegate's Report

After the race car number 11 was randomly chosen among the top ten cars for more extensive physical inspections.

Subject to these physical inspections were all components of the fuel system inside the fuel cell up to the self-sealing breakaway connector, including sensors and loom routing.

All inspected components were found to be in compliance with the 2021 Formula One Technical Regulations.
