2024 DUTCH GRAND PRIX
23 - 25 August 2024

From	The Stewards	**Document**	39
To	The Team Manager, Williams Racing	**Date**	24 August 2024
		Time	19:55

The Stewards, having received a report from the Technical Delegate (document 35), summoned (document 37) and heard from the team representatives, have considered the following matter and determine the following:

No / Driver   23 - Alexander Albon

Competitor   Williams Racing

Time   18:02

Session   Qualifying

Fact   Floor body found to lie outside the regulatory volume.

Infringement Breach of Article 3.5.1 a) of the FIA Formula One Technical Regulations.

Decision   Car 23 is disqualified from the qualifying. All other cars move up in the classification.

Reason   The Stewards heard from the team representatives of Car 23 (Alexander Albon), the FIA Technical Delegate, the FIA Scrutineer conducting the measurement of the car and the FIA Single Seater Director.

The floor body of Car 23 was found to lie outside the regulatory volume mentioned in Article 3.5.1 a) of the FIA Formula One Technical Regulations.

The team did not dispute the calibration of the FIA measuring system and the measurement of the car, but stated that their own measurements have produced different results.

The Stewards determine that the result of the measurement conducted with the FIA system in Parc Ferme is the relevant one and the due process prescribed by the regulations has been followed. Therefore the standard penalty for such an infringement is applied.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
