To	The Stewards	Date	25 May 2024
		Time	18:44

Technical Delegate's Report

The uppermost rear wing element adjustable positions were checked on car numbers 20 and 27. The LHS and RHS outermost area of the of the adjustable elements were exceeding the maximum allowed 85mm on both cars. As this is not in compliance with TR Article 3.10.10 h), I am referring this matter to the stewards for their consideration.

Jo Bauer

The FIA Formula One Technical Delegate
