

2024 UNITED STATES GRAND PRIX

18 - 20 October 2024

From	The Stewards	Document	40
To	The Team Manager, McLaren Formula 1 Team	Date	19 October 2024
		Time	14:15

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 4 - Lando Norris

Competitor McLaren Formula 1 Team

Time 13:34

Session Sprint

Fact The driver of Car 4 made several manoeuvres in the final lap of the race which were reported by the Race Director to the Stewards.

Infringement Alleged breach of Article 33.4 of the Formula One Sporting Regulations.

Decision No further action.

Reason The Stewards reviewed positioning/marshalling system data, video and in-car video evidence.

There did not appear to be any significant changes of direction under braking, and the move at Turn 15 was a legitimate defending move by the driver of Car 4. In Turn 1 Car 4 locked up under braking and went wide, losing a position.

Accordingly the Stewards determine that there is no erratic driving and hence take no further action.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
