Item 1.01. Entry into a Material Definitive Agreement.

Item 8.01. Other Events.

On September 7, 2016, Liberty Media Corporation, a Delaware corporation (the "Company") and Liberty GR Cayman Acquisition Company, an exempted company organized in the Cayman Islands and an indirect wholly-owned subsidiary of the Company (the "Buyer"), entered into two definitive stock purchase agreements, described below, relating to the purchase by the Buyer of 100% of the equity securities of Delta Topco Limited, a Jersey company, the parent holding company of the Formula One business (the "Target"), other than a nominal amount of equity securities held by certain Formula One teams.

First Stock Purchase Agreement

On September 7, 2016, the Company, the Buyer, the Target and certain selling shareholders of the Target (the "Initial Sellers") entered into the first stock purchase agreement (the "First SPA"), pursuant to which the Buyer purchased from the Initial Sellers ordinary shares of capital stock of the Target (the "Shares") constituting slightly less than 20% of the issued and outstanding Shares (the "Initial Shares") and loan notes of the Target (the "Loan Notes") and together with the Shares, the "Securities") constituting slightly less than 20% of the issued and outstanding Loan Notes (the "Initial Loan Notes") and together with the Initial Shares, the "Initial Securities"). The transactions contemplated by the First SPA were consummated on September 7, 2016, immediately following its execution and delivery, and the aggregate purchase price paid to the Initial Sellers at the closing thereunder (the "First Closing") was approximately \$746 million in cash.

Second Stock Purchase Agreement

On September 7, 2016, simultaneously with the execution of the First SPA, the Company, the Buyer, the Target and the Initial Sellers entered into the second stock purchase agreement (the "Second SPA"). The other shareholders of the Target (the "Other Sellers" and, together with the Initial Sellers, the "Selling Shareholders") will enter into a deed of adherence to the Second SPA before closing of the Second SPA.

Pursuant to the Second SPA, (i) the purchase and sale of the Initial Securities consummated pursuant to the First SPA shall be unwound in full immediately prior to the closing of the Second SPA (the "Second Closing"), (ii) the amount of cash paid to the Initial Sellers at the First Closing will be credited against the amount of cash payable at the Second Closing, (iii) immediately following the unwind of the First Closing and prior to the Second Closing, a substantial portion of the issued and outstanding Loan Notes of the Target will be converted into additional Shares and the remaining portion of the issued and outstanding Loan Notes of the Target will become exchangeable notes of the Target through an amendment and restatement to the existing loan note instrument constituting the Loan Notes (the "Exchangeable Notes") in an aggregate principal amount of approximately \$351 million (the "Loan Note Amendment") and (iv) the Buyer will acquire from the Selling Shareholders 100% of the fully diluted Shares. The aggregate purchase price payable to the Selling Shareholders under the Second SPA is approximately \$4.4 billion, consisting of (i) \$1.1 billion in cash (including the cash paid to the Initial Sellers at the First Closing), (ii) the principal amount of the Exchangeable Notes and (iii) the issuance of shares of the Company's Series C Liberty Media common stock, par value \$0.01 per share ("LMCK Stock"). Additionally, upon the request of certain of the Initial Sellers, the Company will use its reasonable endeavours to raise additional funds (the "Third Party Investment") from third party investors between the First Closing and the Second Closing to increase the cash to be paid to, and reduce the number of shares of LMCK Stock to be issued to, the Selling Shareholders at the Second Closing. The Second Closing is not conditioned upon the consummation of the Third Party Investment (or on the receipt of any other financing by the Buyer).

In addition to certain closing conditions, the respective obligations of the parties to consummate the transactions contemplated by the Second SPA are subject to (i) approval of the stockholders of the Company for the issuance of shares of LMCK Stock as contemplated by the Second SPA and in accordance with the terms of the Exchangeable Notes (the "Share Issuance Approval") pursuant to the rules of the Nasdaq Stock Market, (ii) clearances and approvals by antitrust and competition law authorities in certain countries agreed upon by the parties and (iii) certain third-party consents and approvals, including that of the Fédération Internationale de l'Automobile.

The Company, the Buyer and the Target have each made certain representations, warranties and covenants in the Second SPA. The Company has agreed to use its reasonable endeavours to obtain the Share Issuance Approval and the approval of its stockholders to amend and restate the amended and restated certificate of incorporation of the Company to (i) change the name of the "Media Group" to the "Formula One Group," (ii) change the name of the Liberty Media common stock to the Liberty Formula One common stock, (iii) reclassify each share of each series of the existing Liberty Media common stock into one share of the corresponding series of Liberty Formula One common stock and (iv) make certain conforming changes as a result of the foregoing (collectively, the "Name Change Approval").

The parties have agreed to use their reasonable endeavours to obtain the necessary antitrust and third party confirmations, consents and approvals. The Selling Shareholders, as parties to the Second SPA, have agreed to deliver 100% of the fully diluted Shares to the Buyer at the Second Closing.

The Second SPA contains customary termination provisions, including termination if the conditions to closing have not been satisfied or waived before June 30, 2017.

The transactions contemplated by the Second SPA are expected to close in the first quarter of 2017. The above description of the Second SPA does not purport to be complete and is qualified in its entirety by reference to the full text of that agreement, which will be filed at a later date.

The summaries of the First SPA and the Second SPA have been included in order to provide investors with information regarding the principal terms of these agreements and are not intended to modify or supplement any factual disclosures about the Company in its public reports filed with the Securities and Exchange Commission. Except for the status of each as a contractual document that establishes and governs the legal relations among the parties thereto with respect to the transactions related thereto, neither the First SPA nor the Second SPA is intended to be a source of factual, business or operational information about the parties. The representations, warranties and covenants made by the parties in the First SPA and the Second SPA are made solely for the benefit of the parties to such agreements and are qualified, including by information in disclosure schedules that the parties exchanged in connection with the execution of such agreements. Representations and warranties may be used as a tool to allocate risks between the parties, including where the parties do not have complete knowledge of all facts. Investors are not third party beneficiaries under the First SPA or the Second SPA and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or conditions of the Company, the Target or any of their respective affiliates.

Voting Agreement

On September 7, 2016, John C. Malone, Chairman of the Board of Directors of the Company, his wife and a trust with respect to which Mr. Malone is the sole trustee and, with his wife, retains a unitrust interest (together, the "Malone Parties"), entered into a voting agreement (the "Voting Agreement") with the Company and CVC Delta Topco Nominee Limited to vote the Malone Parties' respective shares of the Company's Series B Liberty SiriusXM common stock, Series B Liberty Braves common stock and Series B Liberty Media common stock (the "Subject Shares") in favor of the Share Issuance Approval and the Name Change Approval (and against other proposals that are intended to, or could reasonably be expected to, impair, impede, interfere with, delay, postpone, discourage, frustrate the purposes of or otherwise adversely affect (in any respect) the approval of the Share Issuance Approval and/or the Name Change Approval).

From the date of the Voting Agreement until immediately following a meeting of the Company's stockholders at which proposals for the Share Issuance Approval and the Name Change Approval have been considered, the Malone Parties have agreed to certain transfer restrictions with respect to the Subject Shares, including (i) restrictions on transferring or disposing of any of the Subject Shares and (ii) restrictions on the ability to enter into voting agreements or to grant proxies or powers of attorney with respect to the Subject Shares, in each case, subject to certain exceptions.

The above description of the Voting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of that agreement, which will be filed at a later date.

Shareholders Agreement

In connection with the Second Closing, the Company will enter into a Shareholders Agreement (the "Shareholders Agreement") with the Selling Shareholders.

Pursuant to the Shareholders Agreement, the Company will increase the size of its Board of Directors from nine to ten members and following the consummation of the transactions contemplated by the Second SPA the Selling Shareholders will be entitled to appoint one director (the "Shareholder Director") to serve on the Board of Directors of the Company until 30 months following the Second Closing (the "Expiration Date"). The Shareholder Director will be independent under the rules of the Nasdaq Stock Market and will be appointed to a newly formed committee of the Board of Directors of the Company that will be responsible for reviewing and approving certain transactions affecting the Media Group.

The Selling Shareholder owning the greatest number of shares of LMCK Stock will initially be deemed to be the representative of the Selling Shareholders (the "Shareholder Representative"). Until the first to occur of (i) the date on which the Selling Shareholders' equity position in the Company decreases below a specified threshold and (ii) the Expiration Date, the Shareholder Representative will have consent rights relating to certain actions taken by the Company including, with exceptions in certain circumstances, (a) the creation of any other class of stock which tracks the economic performance of the Target or Formula One or the taking of any action with respect to the shares of any series of Liberty Media common stock which has an objectively adverse impact on the Selling Shareholders as compared to the impact on other holders of shares of LMCK Stock or (b) the issuance of shares of or other equity instruments related to any series of Liberty Media common stock except (x) to raise cash to support the business plan with respect to the Formula One motorsports business or (y) to fund any Repurchase Offer (as defined below).

Depending on the mix of cash paid and LMCK Stock issued to the Selling Shareholders at the Second Closing, the Company may be obligated to make an offer to repurchase (a "Repurchase Offer") certain shares of LMCK Stock received by the Selling Shareholders at the Second Closing to the extent the Company completes an equity offering during the period beginning on the date of the Second Closing and ending on the 24-month anniversary of the date of the Second Closing, or earlier under certain circumstances. The Selling Shareholders are subject to certain transfer restrictions, including customary notice requirements and a right of first offer in favor of the Company.

The Shareholders Agreement will provide the Selling Shareholders with demand and piggyback registration rights with respect to the shares of LMCK Stock to be received by the Selling Shareholders at the Second Closing, subject to the requirement that such shares qualify as Registrable Securities, as defined therein. The Company has agreed to file a shelf registration statement on Form S-3 sufficient to permit the resale of all shares issued under the Second SPA or issuable pursuant to the terms of the Exchangeable Notes on or promptly following the Second Closing.

The above description of the Shareholders Agreement is qualified in its entirety by reference to the full text of that agreement, which will be filed at a later date.

Exchangeable Redeemable Loan Note Instrument

The Exchangeable Notes to be held by the Selling Shareholders (in their capacity as holders of the Exchangeable Notes, the "Noteholders") following the Loan Note Amendment pursuant to a supplemental deed dated as of the date of the Second Closing are 2% fixed rate unsecured convertible loan notes of \$1.00 each. The interest

payable may be satisfied in cash or payment in kind notes (“PIK notes”). The Exchangeable Notes are convertible into shares of LMCK Stock at any time at the option of the holder, provided that upon conversion the Target has the option to pay in cash or issue shares of LMCK Stock. Unless previously exchanged or redeemed, any Exchangeable Notes outstanding on the date that is 30 months after the Second Closing (the “Maturity Date”) will be repaid in cash at par together with all accrued and unpaid interest. The Exchangeable Notes are transferrable by a Noteholder only to (i) an affiliate of such Noteholder, (ii) another Noteholder or (iii) the Target.

Until the earlier of (x) the Maturity Date and (y) the date on which the Noteholders collectively cease to own Exchangeable Notes (including PIK notes) representing at least 30% in principal amount of the Exchangeable Notes issued on the date of the Second Closing, the Noteholder holding the greatest principal amount of the Exchangeable Notes among all Noteholders will have veto rights over certain actions to be taken by the Target including, among other things and subject to certain exceptions, (i) the termination of the chairman or chief executive officer of the Target, (ii) a voluntary liquidation, dissolution, or merger of the Target, (iii) material amendments to, or extensions or renewals on amended terms or terminations of, certain material contracts of the Target; (iv) transactions resulting in a change of control of the Target, and (v) the issuance of shares or other securities of the Target.

Any Noteholder owning Exchangeable Notes (including PIK notes) representing 15% or more in principal amount of the Exchangeable Notes issued on the date of the Second Closing will have the right to designate one director to the board of directors of the Target for a five year term. Those Noteholders which (together with their affiliates) do not individually own Exchangeable Notes (including PIK notes) representing 15% or more in principal amount of the Exchangeable Notes issued on the date of the Second Closing will collectively have the right to designate one director to the board of directors of the Target, so long as such Noteholders collectively own Exchangeable Notes (including PIK notes) representing 25% or more in principal amount of the Exchangeable Notes issued on the date of the Second Closing.

The Company and the Target have agreed that the Company will issue and cause to be transferred to the Target any shares of LMCK Stock required to be delivered by the Target to a holder of Exchangeable Notes, from time to time, under the terms of the Exchangeable Notes.

The above description of the Exchangeable Notes is qualified in its entirety by reference to the full text of that agreement, which will be filed at a later date.

Liberty Media Corporation Agrees To Acquire Formula One

- *Transaction price represents enterprise value for Formula One of \$8.0b*
- *Chase Carey appointed as Chairman; Bernie Ecclestone to remain CEO*
- *Initial sale of 18.7% minority stake in Formula One, with 100% sale subject to satisfaction of conditions*

ENGLEWOOD, Colorado and LONDON, England.—(BUSINESS WIRE)— Liberty Media Corporation (“Liberty Media”) (Nasdaq: LSXMA, LSXMB, LSXMK, BATRA, BATRK, LMCA, LMCK) and CVC Capital Partners (“CVC”) announced today that Liberty Media has agreed to acquire Formula One, the iconic global motorsports business, from a consortium of sellers led by CVC.

Liberty Media owns interests in a broad range of media, communications and entertainment businesses. Those interests are attributed to three tracking stock groups: the Liberty SiriusXM Group, the Liberty Braves Group, and the Liberty Media Group.

The consideration comprises cash and newly issued shares in the Liberty Media Group tracking stock (LMCK) and a debt instrument exchangeable into shares of LMCK. The transaction price represents an enterprise value for Formula One of \$8.0 billion and an equity value of \$4.4 billion(1).

The acquisition will be effected by Liberty Media acquiring 100% of the shares of Delta Topco, the parent company of Formula One (Delta Topco herein referred to as “Formula One”)(2). The acquisition is subject to the satisfaction of certain conditions and is described in more detail below.

Concurrent with the execution of the agreement to effect the acquisition, Liberty Media has completed the acquisition of an 18.7% minority stake in Formula One for \$746 million, funded entirely in cash (which is equal to \$821 million in consideration less a \$75 million discount to be repaid by Liberty Media to selling stockholders upon completion of the acquisition). Prior to completion, CVC Funds will continue to be the controlling shareholder of Formula One.

After completion of the acquisition, Liberty Media will own Formula One and it will be attributed to the Liberty Media Group which will be renamed the Formula One Group. The consortium of sellers led by CVC will own approximately 65%(1)(3) of the Formula One Group’s equity and will have board representation at Formula One to support Liberty Media in continuing to develop the full potential of the sport. In addition, a CVC representative will be joining the Liberty Media Board of Directors.

Chase Carey has been appointed by Delta Topco and will serve as the new Chairman of Formula One, succeeding Peter Brabeck-Letmathe, who will remain on Formula One’s board as a non-executive director. Bernie Ecclestone will remain Formula One’s CEO.

Greg Maffei, President and Chief Executive Officer of Liberty Media, said: “We are excited to become part of Formula One. We think our long-term perspective and expertise with media and sports assets will allow us to be good stewards of Formula One and benefit fans, teams and our shareholders. We

look forward to working closely with Chase Carey and Bernie Ecclestone to support the next phase of growth for this hugely popular global sport.”

Chase Carey, Chairman of Formula One, said: “I am thrilled to take up the role of Chairman of Formula One and have the opportunity to work alongside Bernie Ecclestone, CVC, and the Liberty Media team. I greatly admire Formula One as a unique global sports entertainment franchise attracting hundreds of millions of fans each season from all around the world. I see great opportunity to help Formula One continue to develop and prosper for the benefit of the sport, fans, teams and investors alike.”

Bernie Ecclestone, Chief Executive Officer of Formula One, said: “I would like to welcome Liberty Media and Chase Carey to Formula One and I look forward to working with them.”

Donald Mackenzie, Co-Chairman of CVC, commented: “We are delighted Chase Carey is joining Formula One as its new Chairman and that he will be working alongside Bernie Ecclestone. Chase’s experience and knowledge of sport, media and entertainment is as good as it gets and we are very pleased to secure his services. Bernie has been a wonderful CEO for us over the last 10 years. There have been many successes and the occasional challenge but there has never been a dull moment and we have had a lot of fun. The combined skills of Chase and Bernie mean that the successes should continue and we wish them well. We would like to thank Peter Brabeck-Letmathe for his outstanding contribution during his tenure as Chairman. His leadership has served the company well, and we are pleased that he will remain on the board as a non-executive director.”

In the acquisition the selling stockholders will receive a mix of consideration comprising: \$1.1 billion in cash, 138 million newly issued shares of LMCK and a \$351 million exchangeable debt instrument to be issued by Formula One and exchangeable into shares of LMCK. Funding for the cash component of the acquisition is expected to come from cash on hand at the Liberty Media Group. The newly issued LMCK shares will be subject to market co-ordination and lock-up agreements.

The Teams will be given the opportunity to participate in the investment in Formula One, and the detailed terms of that investment will be agreed in due course. Certain teams have already expressed an interest in investing after completion of the acquisition.

The interest in Formula One already acquired by Liberty Media, and the remaining interest to be acquired upon the closing of the acquisition, along with \$4.1 billion of existing Formula One debt (which will be non-recourse to Liberty Media) and \$0.7 billion in Formula One cash, is being attributed to the Liberty Media Group tracking stock.

Upon completion of the acquisition, the Liberty Media Group will be renamed the Formula One Group and the ticker symbols for the Series A, Series B and Series C Liberty Media Group tracking stocks will be changed from LMC (A/B/K), respectively, to FWON (A/B/K), respectively. Formula One will remain based in London.

The completion of the acquisition is subject to certain conditions, including the receipt of: (i) certain clearances and approvals by antitrust and competition law authorities in various countries, (ii) certain third-party consents and approvals, including that of the Fédération Internationale de l’Automobile, the governing body of Formula One, and (iii) the approval of Liberty Media’s stockholders of the issuance of LMCK shares in connection with the acquisition and the name change of the Liberty Media Group to the Formula One Group, and is expected to close by the first quarter of 2017. Additional information

regarding the acquisition and Formula One will be included in a proxy statement to be filed by Liberty Media with the Securities and Exchange Commission relating to the matters to be voted upon by Liberty Media’s stockholders described above.

Liberty Media’s President and CEO, Greg Maffei and Formula One’s Chairman, Chase Carey will host an investor conference call at 6:00pm ET / 4:00pm MT on Wednesday, September 7, 2016 to discuss the acquisition in more detail.
